Key Product Guide

July 2025

an **Ei** Company

1000 Series

CREATE HEALTHIER, SAFER HOMES

Our life safety products wirelessly connect to our Ei1000G Gateway; an innovative and award-winning system that extracts and collates data directly from our alarms and HomeLINK Environmental Sensors, with all the data and actionable insights available from the HomeLINK Portal. These actionable insights enable preventative measures and proactive maintenance for housing stock.
