

Fire Extinguisher - Ei533-SK

- 0.95 Kg Dry powder fire extinguisher
- For use in domestic properties
- Suitable for liquid, electrical and gaseous fires
- Simple trigger activation
- Can be wall mounted
- Supplied with quick release mounting bracket

PRODUCT DESCRIPTION

The Ei1533-SK is a small lightweight fire extinguisher that has been designed for small domestic fires. The dry powder is ideal to help control and extinguish small fires such as liquid fires, electrical fires (if there is no risk of explosion) and gaseous fires. The extinguisher is NOT suitable for deep fat fires (e.g. chip pans).

Rated for 'B' and 'C' class fires:

- B - Flammable or combustible liquids
- C - Flammable gases

The extinguisher can easily be fitted to the wall and has a quick release mounting bracket making it as easy as possible to access in the event of a fire.
